

# HOW TO JOIN ZOOM – COMPUTER (PC or MAC)

## Step 1: Access Zoom

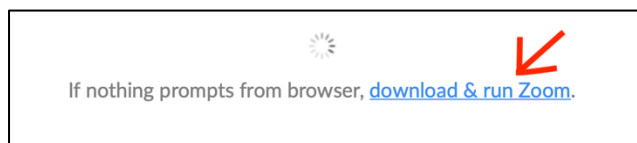

Click on the Zoom meeting link that was provided to you, or type in the link in your browser's search bar.

*This link is just an example. Use the link that was provided to you.*

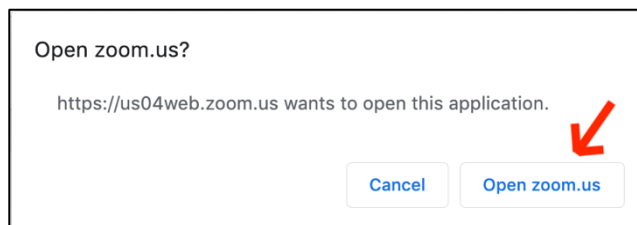

## Step 2: Open Zoom

- A. If this is your first time using Zoom, you will be prompted to download the application. Follow the download steps.

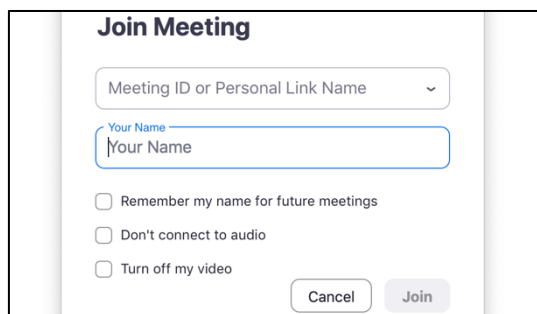

- B. If you have used Zoom before, a dialogue box will appear. Click 'Open zoom.us'.

Depending on whether you are using a Mac or PC, this may also say, 'Open zoom', or 'Allow'. Click any of these options.

## Step 3: Join the meeting

- A. Type in the 10-digit Meeting ID that was provided to you.
- B. Type in your first and last name.
- C. Click 'Join'.

## Step 4: Wait

Wait until the meeting host begins the session.
